XX VOCALISES.

№ 1.

Andante mosso.

MESSA DI VOCE.

*) Chaque vocalise doit être travaillée d'abord sur A et en suite avec les paroles.

Ce signe y indique la respiration. En vocatisant sur A il faut lier les notes qui sont detachées pour la syllabation. Jede Vocalise muss erst auf A geübt werden, ehe mit Worten gesungen wird.

Folgendes Zeichen, dient zum Athemholen.

Wenn man auf A singt, müssen dieje nigen Noten, welche durch die Aussprache getrennt sind, verbunden werden.

Die deutsche Uebersetzung ist zum Verständnis des italienischen Textes. Every Vocalise, previous to being sung with the words, is to be practised on A.

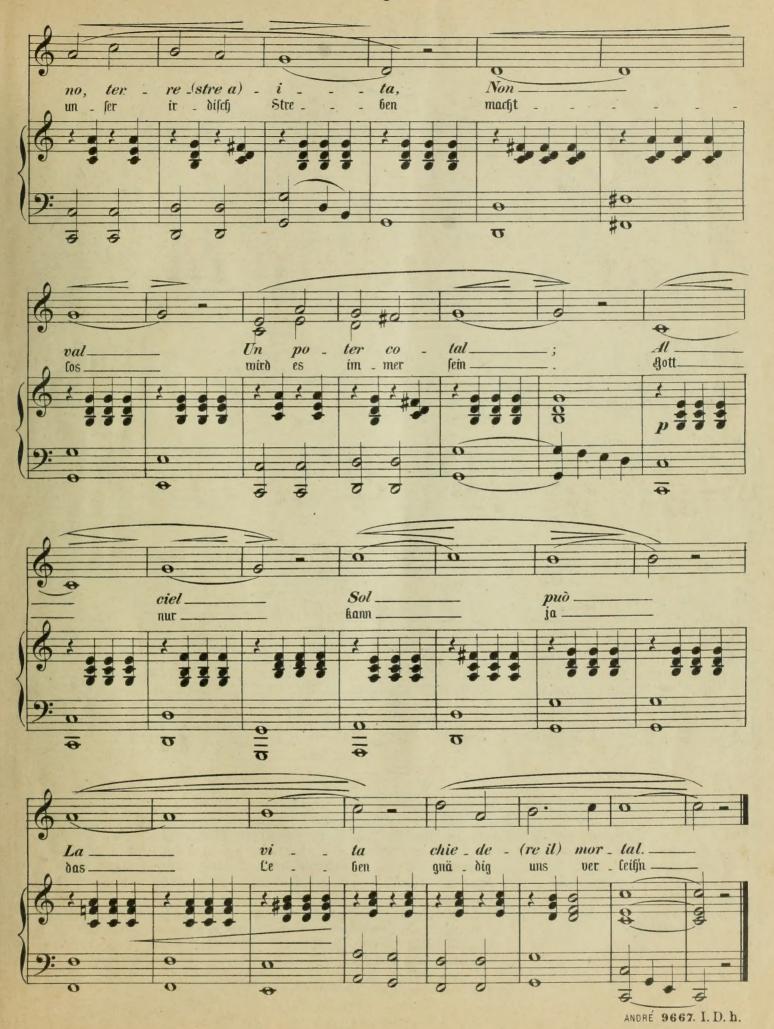

This sign , is to show where to breathe.

In singing, A" those notes, which are disjoined by the syllabication of the words, must be sung connectedly.

Revised edition by Mathilde Marchesi.
